

The mission of our church is to lead people to become fully devoted followers of Jesus Christ

Welcome!

We are glad that you have chosen to worship with us today. We hope that you sense the presence of the Lord through the music, prayers, sermon and other aspects of the worship service.

Please take a moment to look at and complete a communication card, if you would like to communicate anything to our pastors or ministry leaders. All Communication Cards may be placed in the basket in the lobby as you leave the worship service this morning. Again, we say, "Welcome." We are glad you are here.

CP Missions Spotlight

Chris and Cathie Smith build bridges with the people of Extremadura, Spain, through sports, activities with the children's school. and English classes. Less than one percent of the city's population is known to be born-again Christians. Since the community is resistant to organized religion, the heart of the Smith's ministry seeks to demonstrate that Christianity is a relationship, not a religion. Preparation for a new church is under way, thanks to your belief in and support through the Cooperative Program (CP). Pray for this new church plant, and pray for Cathie as she recovers from stage !!!
Melanoma.
