

The mission of our church is to lead people to become fully devoted followers of Jesus Christ

Welcome!

We are glad that you have chosen to worship with us today. We hope that you sense the presence of the Lord through the music, prayers, sermon and other aspects of the worship service.

You will notice that attached to your bulletin there is a perforated *Communication Card*. We encourage each person to complete a *Communication Card*. If you are a guest, this will serve as your guest registration card. For everyone, notice that there is space on the back of the card to share prayer requests, praise reports and/or comments with us.

One important section of the card is entitled "Please check all that apply." During the worship service today, ask the Lord if any of these statements is something that you would like to communicate with our pastor or church family. If so, put a "check mark" in the appropriate place.

All *Communication Cards* may be placed in the basket in the lobby as you leave the worship service this morning. Again, we say, "Welcome." We are glad you are here.

Mission Spotlight

John & Terri Forrester are North American missionaries serving in the Arctic of Alaska. John is a Church Starter Strategist who works with five Eskimo villages north of the Arctic Circle where temperatures sometime fall to – 40-60 below zero in the winter. Our belief in and support through the Cooperative Program (CP) help John as he works to strengthen five churches and missions where the Eskimo people live and also to plant new congregations. As you go through your week, pray for John and his associates as they endure the harsh climate and conditions and work to develop indigenous leaders to one day take over the work in the Arctic.
